

Beta Designer

Showerwell's Beta Designer shower door is a framed pivot door with a chrome handle and slim-line magnetic closure. It can be purchased by itself, as part of a Showerwell acrylic combo and/or as part of our tile safe system.

Product Specifications

- 6mm semi-framed safety glass pivot door & fixed panel, 4mm framed safety glass return panel(s) comply with New Zealand Standard AS/NZS 2208
- Sturdy aluminium door and return frames
- Choice of frame colours: white powder coated, satin anodised or polished & bright anodised (chrome style)
- Standard heights for the door/return are 1830mm or 1950mm
- Overall height from floor for 1830mm door including a Showerwell acrylic shower tray is 1900mm. Overall height from floor for 1950mm high is 2020mm
- Showerwell magnetic door seal & striker (reduces water egress)
- Four handle options available
- Includes splashguards

Custom Sizes:

*Custom door sizes are also available (up to 2000mm high & 1800mm wide).

*Available as a one and/or two piece door (subject to overall door width).
