FASA ARABESCATTO BLANCO

Just Arrived

FASA RANGE
600X1200MM

Fasa Arabescatto Blanco delivers timeless elegance with a soft white base enriched by flowing warm grey and subtle gold veining. Inspired by natural marble, its high variation creates a refined, organic look unique to every tile.

Fasa Amazonita Verde brings a bold, natural statement with striking turquoise-green tones interwoven with soft white veining and earthy mineral accents.

COTSWOLDS
75x300mm

The Cotswolds Range features a matt finish with a natural surface, offering subtle texture and soft variation in tone. Its elongated format gives a modern update to the classic subway look, while the natural colour palette keeps the overall feel warm and versatile.

Ideal for kitchens, bathrooms and feature walls and floors, it can be laid in traditional brick, stacked or herringbone patterns to suit both contemporary and timeless spaces. Durable and easy to maintain, it's a practical choice for everyday living.
