

Astra baths

Showerwell Astra baths have been specifically designed for shower over bath applications. However, they are perfectly suitable as a stand-alone bath. The bath can be purchased by itself or as part of a Showerwell bath combo.

Product specification

- Moulded arm rest supports for extra comfort.
- Square based showering area ideal for use as a shower over bath.
- High perimeter upstands, for use with acrylic or tiled wall applications, ensuring there will be no water ingress issues with your walls.

Available extras:

- Purpose-built wooden cradles, manufactured with H4 treated timber.
- Showerwell's sanitary grade acrylic flat wall liners available for 2 or 3 wall (alcove) situations.
- Showerwell's sanitary grade acrylic flat liners available as bath skirts for 2 or 3 wall (alcove) situations.
- Showerwell Delta, Beta and Sterling bath screens.
