

VISTA BENEFITS & FEATURES

WALL-HUNG MELAMINE

Can be installed prior to flooring being installed

Gives you more floor space for shoes or a shoe rack

Ease of cleaning under tower

FLOOR STANDING MELAMINE

More storage space compared to wall-hung option

Is not fixed to back wall with suspension rail so weight load holds slightly more than wall-hung

- 18mm thick Melamine Laminate
- Satin aluminium hanging rails
- Adjustable Shelving
- Colour Options: White Prefinished, Light Oak & Dark Oak
- Can be installed in various combinations to best suit the available space
- Choose either open shelves or a combination of drawers and shelves

Drawer Towers have: DTC Quality soft close drawer runners & full Extension Drawers
